High Road: At 2NOT1, we are dedicated to building strong family units by working closely with parents to assist them with removing barriers in their lives that prevent them from being fully engaged in the lives of their children and family. In an effort to continue our objective to promote the safety and well-being of children by implementing strategies to keep fathers involved and families together, we have created a comprehensive parental educational initiative called the "High Road". The "High Road" assists and support parents with their parenting needs, connectedness with their children, effective co-parenting, and ability to be their children's primary educator and advocate. 51 families were served through this program. Parents set and achieve personal and family goals during "Parent-Time".
